## CONFERENCE SESSIONS

Healthcare Sector has been adopting multiple Tech enabled Solutions over the years - be it Medical Technology Solutions or Health Technology Solutions

While mid-sized and large healthcare businesses are able to tweak & reposition their business models to suit the needs of changing market dynamics, Smaller Healthcare Businesses are slow to ADAPT to the CHANGE !

Small Hospitals need to **THINK FUTURE SMART** and focus on providing solutions to meet the needs of **SMART PATIENTS**.

Objective of Smart Hospitals Conference is to create focused discussions around - **How Small Hospitals Can ENABLE SMART Healthcare ?**

**4 Business Sessions** namely, **SMART Build**, **SMART Operate**, **SMART Quality** and **SMART Business** are designed, as part of the SMART Hospitals Conference which will be delivered across 2 days - Sep 23rd and Sep 24th 2022 at Kochi.
